AS Health Science Degree Tips

- ❑ **Create a College Binder or Folder**
 - student IDs for each college
 - account logins for colleges and Advanced Opportunities
 - college transcripts
 - course syllabi

- ❑ **Check enrollment!**
 - Check your unofficial transcripts at ISU, NNU, BSU, CWI, and CSI
 - Check records after each enrollment and grading period

- ❑ **Do not wait until deadlines to complete tasks**

FAQs

❑ How will my *credits* transfer?

- Check with the college you plan to attend
- Courses transfer well to in-state public colleges/universities
- Some courses may not transfer as “Direct Course Equivalents” and will show as electives (*can petition if you save your course syllabi*)

❑ How will my *degree* transfer?

- Equivalent to two years of college (*could have two or more years left of Bachelor’s degree depending on your major*)
- The AS degree = “core-certified” (*General Education courses done*)

FAQs Cont'd...

- ❑ What's a **transcript**?
 - *High School vs. College transcript?*
- ❑ When I apply to college, will I apply as a transfer or **new freshman**?
- ❑ When will I get my ISU diploma with my AS degree?
 - After high school graduation:
 - Degree Awarded (**Late June**)
 - Diploma Sent (**July**)

FAQs Cont'd...

- ❑ **Will Fast Forward pay for the whole degree?**
 - 60 total credits required for the ASHS degree
 - Cost is \$75/credit – total *min* cost is \$75 x 60 credits = \$4,500
 - Cost Savings – Two years of college tuition at Idaho public university approx. \$16,000
- **Additional opportunities to use AO funding exists outside of the ASHS program.** This may require out-of-pocket expenses that is the responsibility of the family.
- **Who do I contact** with questions about the ASHS degree or ISU dual credit?
