MERIDIAN MEDICAL ARTS CHARTER HIGH SCHOOL
Community Service Information and Location Ideas

At MMACHS we care about our community and want to make it a better place as well as develop compassion and good character in our students.

Students are required to complete 20 hours of community service, with 10 hours being medically related. Documented community service forms are due by the end of Semester 1 of their Freshman year. Students will be responsible for giving a Power Point presentation in their Freshmen Cornerstone class. The Cornerstone grade will be negatively affected if hours are not completed on time. Students are highly encouraged to begin community service the summer before their Freshman year. If you have questions, contact Mrs. Becky Smith at smith.becky@westada.org.

Service to family or your family owned business, parent's place of employment, churches, Boy or Girl Scouts cannot be used to satisfy MMACHS community service hours. Any service for which a student receives payment cannot be used.
